### **[TheGenealogist](http://TheGenealogist.co.uk) provides discounts to members of the Guild of One-Name Studies**

The Guild of One-Name Studies is pleased to announce that TheGenealogist ([TheGenealogist.co.uk](http://TheGenealogist.co.uk)) has agreed to allow Guild members a discount on its Diamond and Gold subscriptions: **£40 off its Diamond subscription and £10 off its Gold subscription**. Current Guild members who already have a subscription with TheGenealogist can take advantage of this offer when their subscription renewal becomes due.

This offer means that the Guild of One-Name Studies has added yet another reason for anyone to join the Guild whether they are already undertaking, or are about to undertake, a one-name study or simply have an interest in one-name studies. TheGenealogist is the latest online website to offer discounts to Guild of One-Name Studies members.

TheGenealogist is run by the data provider S&N Genealogy supplies, and is a top British genealogy research website. They are also offering Guild members a discount of **30% off their normal price on Certificate Binders and Family History Binders, and 20% off their normal prices of S&N Data CDs**.

The offer will assist Guild members in their further collection of data about their one-name surnames, which in turn will enable them and the Guild to achieve its charitable objective *"to promote the preservation and publication of the resultant data, and to maximise its accessibility to interested members of the public."*
