1. ANCHOR

I, Sally Walker, wish to be known as the author of this research. I declare that the research detailed herein is entirely my own. Sources have include Findmypast, Ancestry, FreeBMD, and Familysearch. Details of Parish events (Baptisms, Weddings and Burials), Civil events (Births, Marriages and Deaths) and Census events have been taken from the images available on these websites. Although every effort has been made to be 100% certain of some the family relationships identified herein it should be acknowledged that the further back you go the more likely errors will creep in. Apologies if they have. Family Historian has been used to create this document.
