### Catalogues, Collections and ArChives Seminar

East Kent is rich in records for family historians and others, and we visit Canterbury, home of the Cathedral Archives, whose records go back to the 8th century. We have assembled specialist speakers from the Kent area that should interest all attendees. With an optional visit to the Cathedral Archives and Library along with the possibility of a guided tour of the cathedral (please see the Guild website for full details) this seminar will appeal to all.
