

Guild Conference 2024 – Booking rooms for Thursday 18th and/or Sunday 21st April 2024

We have a special bed and breakfast rate of £90.00 per room per night for standard rooms

To make a reservation please telephone the hotel [01633 412777](tel:01633412777), stay on the line for the reception team then ask for reservations.

For overseas members please send your room requirement/request by email to newportreservations@holidayinns.co.uk then when you are happy to confirm your reservation we suggest you email your card details across in two emails. If you have any problem with this or would like us to help in any way please email us at conference-booking@one-name.org

Please note

- bedrooms are on the ground and first floor
- there is no lift to any rooms on the first floor
- the hotel only has two disabled access rooms, both of which the Guild has asked the hotel to hold for Guild conference delegates, and these are the only rooms that have walk-in showers; please email conference-booking@one-name.org to check on availability of these
- for any other nights please contact the hotel direct to check rates
- we only give names of delegates booked for the conference nights after the official booking closing date

If you choose to book a higher-grade room and do not wish to change rooms for the 2 conference nights there will then be an upgrade supplement to pay to the Guild for the 2 conference nights.

Once you have booked additional nights please either email your reservation number(s) or your booking confirmation to conference-booking@one-name.org so that we can update the conference rooming list

If you have any problem making any additional night bookings please do not hesitate to contact us.
