## GETTING THERE BY ROAD

For those with technology, type the hotel post code (PO6 4SH) into your SATNAV.

If your travel involves the M3 or A34 around Winchester, we advise you to check for possible diversions due to major road works at the junction between these roads.

### FROM THE M27 EASTBOUND

Leave the M27 at Junction 12 (signposted A27 Paulsgrove, Cosham, Hilsea). As you leave the M27 keep to the left and at the next junction take the left filter towards Port Solent and Porchester Castle

After the turn, the entrance to the hotel car park is the next left turn (100 yards) immediately after the first set of traffic lights.

### FROM THE A27 (HAVANT BYPASS) WESTBOUND

As you approach the M27 leave the A27 and follow the sign marked Cosham A3(N), Hilsea A3(S), Non-motorway traffic.

On the slip road keep right until you reach the roundabout. Once on the roundabout move to the left, go under the motorway and take the exit towards (M27), (M275).

## DIRECTIONS TO THE PORTSMOUTH CONFERENCE

Follow the signs for Southampton, Fareham A27, (M27).

As you approach the major junction (traffic light controlled) follow the sign, and get into lane, for Superstore & Business Parks, Port Solent. The hotel is just past this junction on the left.

There is ample free parking for all registered attendees at the Conference at the front or to the East side of the Hotel. There is an entrance to the hotel from both car parks.

We have been told that the parking cameras will be switched off for Conference; however, it may be prudent to offer to register your car at the hotel reception.
