Structure, Governance and Management

The Guild of One-Name Studies was established on 1 September 1979 and registered as an unincorporated association with the Charity Commission on 21 September 1989 (Registered Charity No. 802048). The Guild's governing constitution was last amended on 22 November 2015.

The affairs of the Guild are managed by a Committee consisting of no more than eleven Guild members, of whom four are designated Officers, namely Chairman, Vice Chairman, Secretary and Treasurer. The members of the main Committee of the Guild are the Trustees of the charity. All Trustees are appointed for one year at the Guild Annual General Meeting. In 2016 seven members were proposed and seconded and duly appointed to the Committee.

The Trustees (Committee members) are required to keep proper books of accounts in respect of all sums of money received and expended by the Guild, and prepare financial statements for each financial year that provide a true and fair view of the financial affairs of the Guild, of the surplus or deficit of the funds of the Guild for that period.

In preparing these financial statements the Committee members are required (unless it is inappropriate to presume that the Guild will continue to exist) to:

- select suitable accounting policies and apply them consistently
- make judgements and estimates that are appropriate and prudent
- prepare financial statements on the basis that the Guild is a going concern

The Committee members are also responsible for safeguarding the assets of the Guild and taking reasonable steps to prevent fraud and other irregularities.

Executive and Subcommittees

In past years, the Executive committee comprised the Officers and three other Committee members elected by the Committee. The Executive was responsible for the overall financial position of the Guild, including the designation of Guild signatories. There being only seven members in total on the Committee, all were deemed to be Executive members and the Executive has been effectively abolished.

The Guild establishes Subcommittees to carry forward the objectives of the Guild. The Guild's Constitution requires that the Chairman and the Treasurer are ex-officio members of all Subcommittees. The purpose of such Subcommittees and their membership as at October 2016 are shown below.

Subcommittee	Purpose	Current Members
Seminars	Organising seminars to educate the public in One-Name Studies	Rodney Brackstone (Chairman), Tracy Care, Julie Goucher (Passive), Paul Howes (Passive), Rod Clayburn, Jackie Depelle, Richard Heaton, Sue Thornton-Grimes, Gordon Adshead, Dominic Johnson, and Alan Moorhouse

Risk Assessment

The Trustees have reviewed the financial and other major risks to which the Guild of One-Name Studies is exposed and have established procedures to manage those risks.

The Guild's Objectives and Activities

The objectives of the Guild of One-Name Studies are to:

- advance the education of the public in One-Name Studies (defined as research into the genealogy and family history of all persons with the same surname and its variants), and
- promote the preservation and publication of the resultant data, and to maximize its accessibility to interested members of the public

The Guild aims to be the worldwide centre of excellence in One-Name Studies and to promote the interests of both individuals and groups who are engaged in them. Through its programme of activities, it provides the means to share, exchange and publish information about One-Name Studies. It also seeks to encourage and assist those interested in One-Name Studies by means of conferences, seminars and many other activities and projects.

The Guild's main aims during recent years, and continued by the current Committee, have been to:

- increase the range of services available to its members
- create positive links with academia and commercial genealogical organizations; and
- strengthen its position as the leading global genealogy society specializing in one-name (surname) studies

The Guild's strategy to meet its objectives is to maintain its current range of services and products, and seek to extend these by encouraging members to come forward with new projects that do not rely solely on the limited resources of the Committee. The education of the public in one-name studies has been significantly progressed with the appointment of National Guild Representatives and a large number of Guild speakers at the Who Do You Think You Are? Live 2016 event held in Birmingham, several Guild members speaking at RootsTech 2016, our public Facebook page, our members' own personal websites and a number of presentations around the world made by members about One-Name Studies.

Member support has been improved with the Regional Representatives across the globe, as well as the Mentor Coordinator and Front Office Manager who provide personal contact for new members to highlight the benefits available to them.

The Guild continues to broaden its facilities by extending the use of IT-based services, in particular those which members can contribute to or use on a self-service basis.

The Guild provides a vast range of services to enable its members to expand on their one-name studies and to provide possible additional information to members of the public requesting assistance on a particular registered surname. Membership benefits include, but are not limited to:

- a high quality printed quarterly Journal of One-Name Studies now also available as a PDF to members who want it
- a range of one-day seminars throughout the year on one-name themes. To date, these have mainly been held in the UK, but in 2015 one was held in Boston, Massachusetts, USA and Western Australia
- an annual conference on a range of one-name study themes
- an annual Register of One-Name Studies with an up-to-date copy always available online
- a Profile facility to enable all members to create their own publicly searchable ONS web page
- a Guild Rootsweb mailing list, a private Facebook group and a Guild Web-Forum (formerly Bulletin-Board) where members exchange ideas, discuss their research and alert members to useful sources of genealogical data
- the Guild's main website - www.one-name.org - to provide one-name study information to members and the general public including a wiki, allowing members to share their experiences with others. Subsidiary to the main site is <http://ww1.one-name.org/>, designed to allow members to share stories and remember those whose lives were ended or totally altered by the First World War
- publication of booklets relating to one-name studies, notably Seven Pillars of Wisdom: The Art of One-Name Studies
- a free phone/toll-free telephone contact point in the UK, North America and Australia to enable members of the public and Guild members to easily contact the Guild
- Guild email aliases to all Guild members to assist in communicating with the public
- a range of lookup services to members to assist in the collection of genealogical data
- Marriage Challenges, in which volunteers search for marriage entries in the deposited Parish Registers for a particular Registration District, mainly but not exclusively in England & Wales
- a Marriage Index including worldwide entries to help link members' knowledge of marriages, and also, for Anglican marriages in England and Wales, to help locate the parish (currently it has well over a million marriages) - also available to the public via <http://www.marriage-locator.co.uk/>.
- a 'BMD Vault' of birth, marriage and death certificates worldwide to assist members with their one- name study research
- a Scottish Index to allow searching for any name appearing in Scottish marriage certificates, not just those indexed by the GROS
- a Probate Index to provide searches for names in wills not indexed in the various Will Calendars
- a 'Newswatch' project where volunteers pass on details of surnames to relevant members
- a discount on Y-DNA kits from Family Tree DNA throughout the year
- a discount on Autosomal DNA kits from Family Tree DNA throughout the year and advice and support to members on DNA testing
- Mentoring scheme to support new members of the Guild
- a facility to produce 'faux certificates' using Birth/Marriage/Death transcribed data

- development of online distance learning courses on one-name study subjects
- an Online Library of digitized one-name study material, donated or bequeathed, to help promote the preservation of data
- an online data archive facility (ONS datastores) to enable members to back-up their ONS data on the Guild website, and to allow other members and the general public to access their data
- occasional Google Hangouts
- The Members' Websites Project, a service designed to help members with the long-term preservation of their One-Name Study websites which in the one year since it went live has now preserved 125 websites with over 1.5million lives.
- A long-term online family data preservation service arranged with FamilySearch.org at no cost to members which in less than a year is approaching 1million lives.

The Trustees present their report and accounts for the year ended 31 October 2016. These have been prepared in accordance with statutory requirements and Statement of Recommended Practice 'Accounting and Reporting by Charities' issued in March 2005.

Achievements and Performance

The membership of the Guild of One-Name Studies at the end of October 2015 was 3,041 (2,902 in 2015). Membership details are:

	UK	Australia	Canada	NZ	USA	Other	TOTAL
Membership as at 31 October 2016	2,191	199	114	71	360	106	3,041
<i>as at 31 October 2015</i>	<i>2,141</i>	<i>183</i>	<i>111</i>	<i>67</i>	<i>306</i>	<i>94</i>	<i>2,902</i>

Note that following an increase in subscription rates on 1 November 2016, a larger than usual number of members did not renew their membership. As of 20 February 2017, there are 2,766 members.

The Committee met on seven occasions during the year, details of which are provided on the Guild website as part of the Guild's transparent governance arrangements. It continues to expand on the benefits offered to members and volunteer projects within the organization and links are maintained with FamilySearch, the Family Names of the UK (FaNUK) based at the University of the West of England and Ancestry.com, as well as the long-standing relations with FindMyPast and Pharos Teaching and Tutoring Ltd.

During the year, the Guild has been represented at meetings of the Australian Federation of Family History Organizations, the Federation of Family History Societies and the Scottish Association of Family History Societies and the Association of Family History Societies of Wales.

Over the course of the year the Guild stand has been in attendance at Family History Fairs, Shows, and Expos across the globe, including Who Do You Think You Are? Live 2016 events in Birmingham, the primary genealogy event in the UK and at RootsTech 2016 in Salt Lake City, the largest family history conference in the world.

The Guild's 37th Conference was held from Friday 1 to Sunday 3 April 2016 at the Hilton Metropole Hotel in Birmingham with the Annual General Meeting on Saturday 2 April 2016.

The 2016 conference theme had an international theme "Home and Away". The programme included talks from Derek Harris, Peter Bailey, Paul Brooks, Paul Howes, Kim Baldacchino, Peter Towey, Geoff Swinfield and Janet Few.

The Seminar Subcommittee has organized three excellent seminars during the year in Alwalton, Cambridgeshire; Oadby, Leicestershire and Ullenwood, Gloucestershire having organized five during 2014/15. The long-term average number of seminars per year is expected to be four

The Guild continues to publish the award-winning Journal of One-Name Studies each quarter, which was distributed to members in January, April, July and October, and was also sold commercially. It is now in its ninth year as a full-colour publication, under the editorship of Jean-Marc Bazzoni.

The Guild published the 2016 edition of its annual Register of One-Name Studies which was distributed to all subscribing members, and to some Record Offices and libraries in the UK, USA and Australasia. Seven Pillars of Wisdom: The Art of One-Name Studies has been sold to members and non-members via the Regional Representatives and at events attended by the Guild Stand.

A sliding scale of membership fees exists which is dependent upon the month in which a new member joins the Guild. In keeping with the Guild's international aims, membership subscriptions for new members may now be paid online in any of six currencies.

The fellowship scheme - Master Craftsman of the Guild (MCG) - was introduced in 2010, honouring members who are considered to be outstanding either in the depth and range of their expertise or in their contribution to the running of the Guild. A further three MCGs were announced at this year's Annual General Meeting in April 2016, making a total of 28 to date. All the citations are available on the Guild's website.

The annual Guild Award of Excellence (GAoE) scheme seeks to acknowledge members' contributions to publications of all kinds relating to One-Name Studies. In 2016, 13 members were recognized for their articles, websites and books details of which are available on the Guild's website.

During 2016, the Guild's main website - www.one-name.org - has continued to expand and the transition to WordPress has picked up the pace thanks to the continuity of our team managing the site. We are indebted to our team of Kim Baldacchino and Ken Mycock for the progress made and plans laid.

In 2014 the Guild set up a working group, under the chairmanship of Peter Hagger to consider updating the Guild's Constitution. The working group submitted its recommendations for change to the Committee which endorsed them and submitted the changes to the membership in late October 2015. As noted above, at the beginning of our operating year the recommendations were accepted by the members and immediately went into force.

The Guild's Public Benefit

All activities, services and facilities of the Guild have been, or are being, developed to ensure that they either provide direct benefit to the public or provide assistance to our members to enable them to expand on their knowledge of one-name studies and their own collection of one-name data for the subsequent benefit of the public. The Guild activities indicate whether they are available directly or indirectly to members of the public. Members of the public can and do attend the Guild seminars and its annual conference, and the Trustees are continually seeking to explore ways in which the expertise and knowledge of our members on one-name studies can be passed on to the public.

As stated above, the Guild maintains a number of websites available to the public: one-name.org, one-name.net, ww1.one-name.org, marriage-locator.co.uk and surnamestudies.org.uk. Beyond these, and particularly one-name.net and the Profile webpages for registered studies, there are hundreds of websites maintained by Guild members, each of which plays its part in educating the public on their surname and thus on studying surnames in general.

Trustees continue to pay due regard to the guidance provided by the UK Charity Commission on public benefit in deciding what activities the Guild should undertake or expand upon, and in the general maintenance of the Guild and its finances.

Financial Review

After seven years of constant subscriptions the Guild had a challenging year financially with the Guild's reserves decreasing by £3,567 (2015: £2,930). This is well below our long-term target for our Reserves Policy - see next section.

The principal sources of the Guild's income and where the money is spent are shown in the Guild's Statement of Financial Activities. Income of £103,639 fell short expenditure of £107,206 by £3,567. As last year, the current financial year proved challenging with the continuing move to lower on-line sales, the continuation of the Guild Stand, the increasing proportion of members from outside the UK and rapidly increasing postal charges. As before, this has been balanced by the success of the sales of DNA kits (both yDNA and autosomal DNA, although small margins on these items were eroded somewhat by the deterioration of the Pound Sterling against the US Dollar). The Guild VAT registration on a "partial exemption" basis has assisted the Guild in the planning and budgeting of the Guild's major activities, where the Guild is required to account for its activities on a 'net' basis after taking account of VAT. As a result of further campaigns to increase the number of UK Guild members who sign Gift Aid Declarations, the income received from the UK Government in respect of Gift Aid has exceeded £6,669, slightly below last year.

Reserves

The Trustees have reviewed the reserves the Guild needs to sustain its operations. The review concluded that a general reserve equivalent to approximately six months' unrestricted fund expenditure should be set. This provides sufficient funds to cover management, administration and support costs of the Guild and will assist the funding of the anticipated increases in project expenditure and Guild services. Unrestricted funds have gradually decreased over the last three or four years, a natural outcome of our policy of trying to maintain subscription rates at a constant level over as long a period as possible. In the last year, the Guild's general reserves decreased from £45,882 to £42,315.

Within that figure, in 2015, in light of the Members' Website Project the trustees decided to allocate a specific reserve of £5,000 in respect of "possible future software expenditure" and to augment this by a small margin on software costs and by donations received - that ear-marked reserve stands at £6,176. The likelihood of our needing to use this reserve is at present remote.

Plans for the future

Following the increase in the number of Guild members signing Gift Aid Declarations and the related increase in Gift Aid receipts, the Guild has introduced a new procedure whereby new members can elect to authorise Gift Aid for the Guild subscriptions and donations. This new on-line facility will reduce the need to encourage Guild members to sign a declaration.

The Guild now publishes this report electronically, to save cost, and has encouraged members to "go green" and accept electronic copies of the Journal, the cost saving for which is material.

The Guild Conference in 2017 will have a nautical theme of "**One-Name Studies - Port and Starboard**"

The Committee has reviewed the long-term forecast of its anticipated income and expenditure and does not anticipate further increases in subscriptions for a few years.

Approval

The Trustees approved this report at a meeting held on 25 February 2017 and it is signed on their behalf.

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £100. They are valued at cost or a reasonable value on receipt. Depreciation is calculated from the month after acquisition.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

INDEPENDENT EXAMINER'S REPORT for the period ended 31 October 2016

Independent examiner's report to the Trustees of Guild of One-Name Studies

I report on the financial statements of the charity for the year ended 31 October 2016 which are set out on pages 1 to 14.

This report is made solely to the charity's Trustees, as a body, in accordance with section 145 of the Charities Act 2011 and regulations made under section 154 of that Act. My work has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my work or for this report.

Respective responsibilities of Trustees and examiner

The charity's Trustees are responsible for the preparation of the financial statements, and they consider that an audit is not required for this period under section 144(2) of the Charities Act 2011 (the Act) and that an independent examination is needed.

It is my responsibility to:

- examine the financial statements under section 145 of the Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Act; and
- state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 130 of the Act; and
 - to prepare financial statements which accord with the accounting records and comply with the accounting requirements of the Acthave not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.
